

Head Ice Technician

The Grimsby Curling Club is now accepting applications for a new Head Ice Technician for the 2018/2019 curling season. We have a 4 sheet, sand based facility with an active membership. Our season runs from mid-October to mid-April that includes weekly leagues, youth programs, bonspiels, rentals and more.

1. Purpose of the Job:

Reporting to the Board of Directors and Club Manager, the successful applicant is responsible to ensure that the ice-making component is operated efficiently, safely, and effectively from September 1, 2018 to April 30, 2019. In this regard effective communication with the Board of Directors, Club Manager, Ice Committee, and the membership will form a critical component of the overall approach.

2. Major Responsibilities:

The Ice Technician is responsible for the day-to-day ice operations ensuring high quality playing conditions as well as establish and maintain a positive working relationship with the Club Manager, Board of Directors, staff, club members, contractors, vendors, visitors and the community at large.

Duties include, but are not limited to:

- Ice installation
- Complete draw changes
- Daily maintenance
- Recruitment, training, and scheduling of ice staff (at the approval of the Board of Directors)
- Minor facilities maintenance and repair as needed both on and off the ice
- Removal of ice, and proper storage of rocks and equipment

3. Skills and Attributes:

- Level 2 Ice Technician Certification or equivalent
- Customer service orientation
- Strong interpersonal skills
- Previous experience using the Ice Mistress would be an asset
- Works well with minimal direction and positive results

Reports To: Board of Directors and Club Manager

Salary: Negotiable with experience.

Deadline for Applications: April 30, 2018
