

ICE TECHNICIAN

Orangeville Curling Club is seeking applications from qualified individuals for the contract position of Ice Technician for our very busy, 4-sheet arena.

Come Join Us!

- competitive compensation;
- four sheet curling facility with 300 members;
- 9 evening draws; 3 day draws, 2 draws on Sunday; and,
- weekend Bonspiels and numerous rentals throughout the season.

Be responsible for:

- all aspects of the ice area;
- plant maintenance/operation;
- daily ice maintenance is to meet Ontario Curling Association competitive curling standards;
- ice making; installation/maintenance;
- ice removal and clean-up; and,
- the ability to work with available volunteers.

Experience/Qualifications:

- Minimum requirement of a Level 2 OCA Ice Technician certification is preferred;
- Applicants holding no training or a Level 1 Certificate will be considered with the goal to enrol in the OCA Ice Technician Program within 90 days (as possible); and,
- Flexibility and good organizational skills a must.

Please send résumé no later than April 15, 2016 to:
